ΤΟΠΟΣ

The season runs on Sleeper, plus as much of the offseason as possible.

The first draft runs on Yahoo. Later drafts may move sites year to year.

Δ' S C O R I N G

ΒΑΘΜΟΙ

- Half PPR (0.5 per catch)
- QB interception: minus 4
- No kickers, no IDP
- All other scoring is Yahoo standard

Ε' L I N E U P

ΤΑΞΙΣ

Each team starts 9 players.

Spot	How many
QB	1
RB	2
WR	2
TE	1
FLEX (WR / RB / TE)	2
DEF	1

Every team must start a full lineup every week. A manager who keeps leaving holes can be removed from the league and lose any money paid in.

C' R O S T E R

ΚΑΤΑΛΟΓΟΣ

Period	Bench spots
Offseason	23
Regular Season	16

Bench spots sit on top of the 9 starting spots. That makes 32 players in the offseason and 25 in the regular season. IR and taxi players do not count against either number.

Teams must drop to 16 bench spots, 25 players in all, on the day the Regular Season starts.

A team still over 25 after that pays \$10 FAAB per extra player, per day. If the team has no FAAB left, players are dropped at random until the roster hits 25.

INJURED RESERVE

Six spots on top of the roster limit. Any player Sleeper allows.

TAXI SQUAD

Eight spots. Taxi players do not count against the roster limit.

- Drafted rookies only. No veterans, no players acquired by trade.
- A player who leaves the taxi squad cannot return to it.
- A player with more than 3 years of NFL experience must be activated.

A rookie must be placed on the taxi squad before the first NFL game of the season. After that game starts, no player may be added to the taxi squad.

Z' D R A F T S

ΚΑΗΡΟΣ

FIRST DRAFT EVER

A \$400 auction for 25 spots, open to all players. Teams do not have to fill every position.

ROOKIE DRAFT

Begins in year two. Held within 3 weeks of the start of the League Year. Four rounds, rookies only.

DRAFT SLOTS

- Slots 1 through 6: the six playoff teams, ranked by how far they got in the playoffs. The champion takes slot 1.

- Two teams are knocked out in each playoff round. Those teams are ranked by playoff seed. The better seed takes the lower slot number and picks later.
- Slots 7 through 10: the four teams that missed the playoffs, ranked by regular season standings. The worst record takes slot 10.

ORDER

Every round uses the same order: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1.

The team in slot 10 picks first. The champion picks last in every round.

H' FREE AGENTS

ΑΓΟΡΑ

FAAB is fake money used to bid on free agents. The high bid wins.

- \$350 is added to each team's leftover balance when the Regular Season starts.
- The lowest bid is \$0. No team may go below \$0.
- Offseason: bids run once a week, on Wednesday.
- Season: bids run daily, Tuesday through Sunday. Dropped players sit on waivers from game time until Tuesday.

Θ' TRADES

ΑΝΤΑΛΛΑΓΗ

- The deadline is the end of the Regular Season. No trades during the playoffs. Trading reopens after Week 18.
- A trade goes through as soon as both managers accept it.
- Lopsided or dumb trades are never vetoed. Only proof of collusion, meaning two managers teaming up to cheat, undoes a trade.
- FAAB and draft picks may be traded up to 2 years out. A manager must have paid the deposit for that year to trade its FAAB or picks away.

ΑΓΩΝΕΣ

Playoffs run Weeks 15, 16, and 17. Six teams qualify.

- Seeds 1 through 5: wins, then total points, then head to head record, then head to head point differential.
- Seed 6: the highest scoring team of those left, regardless of record.
- Seeds 1 and 2 receive a Week 15 bye.

The four teams that miss the playoffs play the Toilet Bowl. It does not affect draft order.

IA' T O I L E T B O W L

ΑΙΣΧΥΝΗ

The Toilet Bowl winner is the team that finishes last in the losers bracket.

The league champion picks that team's name for the next season. The team must use it all year.

If the Toilet Bowl winner quits the league, the punishment passes to the next worst finisher. If it cannot land on anyone, Mike serves it.

ΝΟΜΟΘΕΣΙΑ

There are three ways a rule changes: a Minor change, a Major change, or a Commissioner decision.

Any manager may propose a change at any time. The Commissioner decides whether it is Major or Minor. Managers then have one week to vote. A manager who does not vote counts as a no. The Commissioner records the result of every vote and posts it to the league.

Type	Votes to pass	Takes effect
Minor	6 of 10	Right away, unless the vote says otherwise
Major	8 of 10	Next League Year, unless the vote is unanimous

The Commissioner may rule on anything this charter does not cover, and may fix clear mistakes or broken settings at any time. No vote is needed.
